

“There’s nothing general about General Practice Nursing”

Healthcare Practitioner of the Year

This award is open to Healthcare Practitioners (HCPs) that provide care as part of a General Practice setting.

Entries are welcomed from the entire HCP workforce of Greater Manchester.

HCP’s can either nominate themselves, or be nominated by a care professional, patient or carer

This award recognises and rewards the vital contribution HCPs provide in primary care. The judges are seeking nominations from HCPs who consistently deliver confident contemporary care and who consistently perform above what is considered as the ‘norm’ for their peer group.
